Products

- **SP TEL-Sol™**

  The SP TEL-Sol™ is our patented Heated & Cooled communication equipment shelter.

- **SP Hybrid™**

  Our SP Hybrids are portable, self contained power systems incorporating the use of Photovoltaics, Wind and or back-up Generators.

- **SP SOLPark™**

  The SP SOLPark™ is our patent pending Solar Carport. It provides electricity to the building and shade for parking lots.
