## Hot Solutions for Prickly Problems

### GovEnergy provides a unique forum to:

- Educate, inspire, and motivate people and organizations to be more energy efficient, and environmentally sensitive in their missions and facilities
- Raise awareness and increase knowledge of the latest energy-saving strategies, products and services
- Expanded opportunities to learn from and network with colleagues
- Assist Federal agencies to reduce their energy use and costs and help them meet Federal energy mandates as outlined in Energy Policy Act of 2005, Executive Order 13423, EISA 2007 and additional Federal guidance
- Increase knowledge of hands-on energy solutions at the 200-booth tradeshow featuring Industry Business Partners displaying products, services and educational opportunities

### GovEnergy offers participants:

- Over **100** Technical Sessions in 13 different Track Areas
- Continuous Learning Credits
- Networking opportunities with nationally recognized energy experts and colleagues from throughout government and the private sector
- Tradeshow of cutting edge energy-saving technologies, services, products and software
- Technical Tours to observe first-hand the latest energy technologies in action
- Additional Pre & Post GovEnergy Training opportunities provided by our energy industry and federal partners
