### Charting a Course to Energy Independence

The Premier Energy Training Workshop and Tradeshow for Federal Agencies

**August 9-12, 2009**

Rhode Island Convention Center  
Providence, Rhode Island

GovEnergy invites you to exhibit at the premier energy training workshop and tradeshow for federal agency employees August 9-12, 2009, in Providence, Rhode Island. GovEnergy fosters a one-of-a kind atmosphere attracting key decision makers and senior government officials who are actively seeking the latest in innovative technologies and services supporting federal energy management. Don't miss this unique opportunity to motivate, educate, and inspire!

**Reserve your exhibit booth today, space is limited!**

GovEnergy 2009 Agency Sponsors

## Set Sail! GovEnergy:

- Offers valuable opportunities to connect with over 2,500 results-oriented federal agency attendees
- Creates opportunities for building a strong market presence; showcasing your products and services to connect with decision makers and project implementors
- Provides a solid forum for networking with colleagues and industry experts
- Leverages your ROI; 60% of the attendees polled at GovEnergy 2008 managed either projects or accounts ranging from \$1 million to \$10 million+ in size

## GovEnergy is On Board with:

- Contracting Officers and Lawyers
- Energy Management Service Providers
- Equipment Manufacturers
- Federal Energy Coordinators
- Federal Energy Managers
- Federal Facility Managers
- Federal Procurement Officials
- Private Sector Facility and Energy Professionals
- State and Local Government Officials
- Utility and Energy Service Companies

## GovEnergy is Ship Shape! Your 2009 Exhibitor Package Includes:

- A booth (sold in 9x10 units) and booth identification sign
- Your company's name, brief company description, booth number assignment, and company URL listed on the GovEnergy conference website and event directory
- 3-full workshop registrations (per each 9x10 booth unit), providing the opportunity to: attend all of the highly regarded technical training sessions (choose from over 100 sessions), and participate in the networking events, including opening and closing sessions, receptions, coffee breaks, lunches, and the offsite event on Tuesday, August 11
