

BLAZIN' TRAILS TO ENERGY SOLUTIONS!

CELEBRATING 13 YEARS!

Training Workshop August 15-18, 2010 | Trade Show August 15-17, 2010

Dallas Convention Center | Dallas, TX

The Premier Energy Training Workshop and Trade Show for Federal Agencies

Join federal employees and energy industry professionals on the frontier of federal energy management! GovEnergy continues to foster education and encourage the application of best practices, products, and services as they relate to energy efficiency, renewable energy, and water efficiency within the federal sector. Participants will attend training sessions, discover financial and technical resources, explore energy-saving technologies, and meet energy experts.

A Texas-Size Training Event

This year's event will feature:

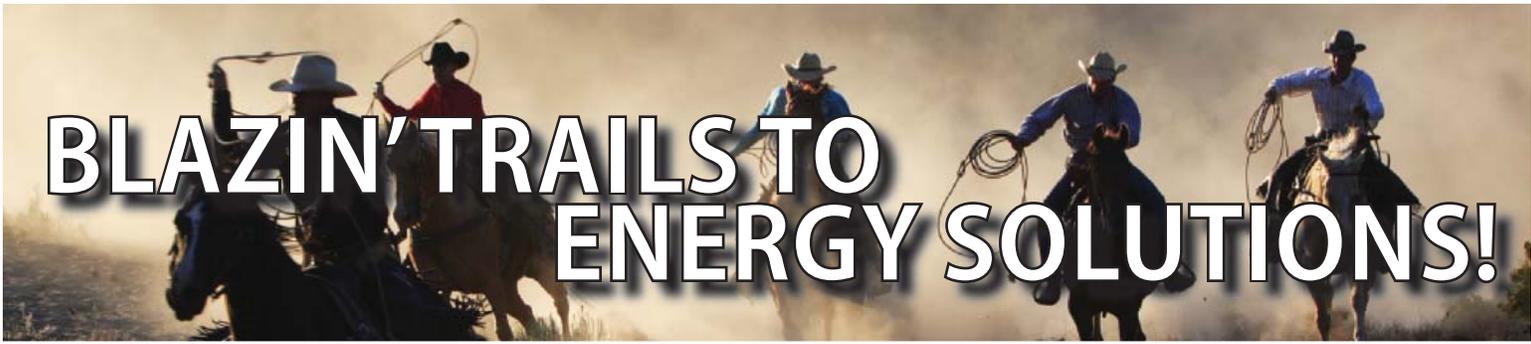

- Over 100 training sessions
- Forward-thinking workshop speakers from both the public and private sectors
- Professional development and education credits
- Two *NEW* tracks: *Greenhouse Gases* and *Human Behavior*
- A track for energy lawyers and contracting officers
- An expanded, technology-driven trade show
- Networking opportunities
- A three-day pass to the DART rail system (*included with registration*)
- Optional technical tours
- Supplemental training provided by federal agencies and energy industry experts¹

It's a Roundup of Resources

Led by subject experts, GovEnergy's workshop sessions offer detailed information to support daily operations as well as long-term energy management goals affecting federal agencies. GovEnergy features training within these areas:

- Building Operations & Management
- Contracting
- Energy 101
- Energy Lawyers & Contracting Officers Working Group
- Energy Security
- Financing
- Greenhouse Gases  *New for 2010!*
- Human Behavior  *New for 2010!*
- Legislation
- Metering & Energy Management Control Systems (EMCS)
- Renewables
- Specialty Buildings
- Sustainability
- Technology
- Water

¹ While several pre-and post-training events are held in conjunction with GovEnergy, these training events are not part of the official program. Please visit the website for more details.

Trail Markers

The Dallas Convention Center is centrally located in downtown Dallas just minutes from both airports, Dallas-Fort Worth International (DFW) and Love Field (DAL). Use the three-day DART rail pass (*included with registration*) for easy access to the Dallas Convention Center, hotel accommodations, and dining options.

Hotel Information

For your convenience, GovEnergy is offering special room blocks at several area hotels. Rooms will be offered at the prevailing government rate (based upon single occupancy). This rate will be available until July 12, 2010 or until the room block is sold-out. If you are reserving your hotel room by telephone, please be sure to request the special GovEnergy room rate.
