

About GovEnergy

For the past 13 years, GovEnergy has brought together the nation's leading experts in policy, technology, and facility operations to address the challenges of federal energy management. GovEnergy delivers thought-provoking insight, serving to develop the skills of federal employees and stakeholders working to meet mandated energy goals.

GovEnergy is of special interest to:

- Federal Energy Managers
- Federal Energy Coordinators
- Federal Facility Managers
- Federal Procurement Officials
- Federal Contracting Officers
- Federal Lawyers
- Energy Management Service Providers
- State & Local Government Officials
- Utility & Energy Service Companies
- Building Designers
- Construction Project Managers
- Equipment Manufacturers
- Private Sector Facility & Energy Professionals

Registration Details

Register: www.govenergy.gov

Online registration ends July 25 at midnight (EST)

Federal Employee Rate: \$495

Available through July 25, 2011

Non-Federal Employee Rate: \$595

Available through July 25, 2011

On-site Rate: \$795

Corporate Guest Pass (trade show only): \$100

Beginning August 6, 2011 at GovEnergy

Register in person at the Duke Energy Convention Center. One pass per individual for the duration of the trade show. Corporate guest passes may not be used to supplement exhibit booth passes.

Only registered attendees (ages 18 and older) may attend GovEnergy events and training.

Hotel Information

Attendees are responsible for making their hotel arrangements. A room block with a set room rate of \$115 per night will be available until July 11, 2011, or until the reservation block is sold out.

Technical Tours Sunday, August 7

GovEnergy's technical tours are a great way to view local facilities in an educational setting. Choose from a variety of energy-related project sites. Register online to reserve your space; registration is required for all tours. Separate fees apply; tour fees are not included with registration. Onsite registration will be based upon space availability.

Pre- and Post-GovEnergy Training

A variety of pre- and post-training events are held in conjunction with GovEnergy. While not part of the official GovEnergy program, these events are taught by experienced professionals and trainers, offering resources to maximize your learning experience. Please visit the GovEnergy website for more details.

FEDERAL AGENCY SPONSORS

Trade Show

Hours of Operation:

Sunday, August 7 5:00 p.m.–7:00 p.m.
 Monday, August 8 9:30 a.m.–6:30 p.m.
 Tuesday, August 9 7:30 a.m.–4:00 p.m. *

*On Tuesday August 9, from 2:00 p.m.–4:00 p.m., students, friends, and family (ages 12 and over) may gain complimentary access to the trade show when accompanied by a registered attendee.

Vendors will be presenting the latest equipment and services designed to reduce energy consumption and support energy compliance.

NEW for 2011 Electric Vehicle Showcase

Electric vehicle (EV) manufacturers and infrastructure providers will be exhibiting their EVs and associated equipment.

Special Exhibitor Workshop: Monday, August 8 & Tuesday, August 9: Doing Business with the Federal Government

Back by popular demand! GovEnergy has expanded its vendor-focused training session, *Doing Business with the Federal Government* to a multi-day workshop. Experts will present on process, policies, and best practices.

Industry Partnerships

A variety of high-profile industry partnership opportunities are currently available. Industry partnerships provide a unique way to connect with GovEnergy attendees while serving to promote business and service solutions. Is there an industry partnership that you would like to pursue? GovEnergy is open to your creative suggestions!

Contact Trina Johnson, 800-343-2171 or govenergy@govenergy.com, for details concerning exhibit and industry partnership opportunities.
