

About GovEnergy

Join members of the federal energy management community at GovEnergy and benefit from a host of learning and networking opportunities. GovEnergy provides attendees interested in sustainability, energy security, or energy assurance with a variety of learning experiences that help shape their ideas into action. Policy, technology, and facility operations experts are prepared to deliver quality training and share their professional insights. The 2012 program will offer more than 150 content-rich sessions across 19 tracks, a technology-focused trade show, opportunities to engage individuals who are eager to address the challenges of federal energy management, and more! Please visit the GovEnergy website for the latest news and information.

GovEnergy is of special interest to:

- Federal Energy Managers
- Federal Energy Coordinators
- Federal Facility Managers
- Equipment Manufacturers
- Federal Procurement Officials
- Private Sector Facility and Energy Professionals
- Federal Contracting Officers
- Federal Lawyers
- Energy Management Service Providers
- Building Designers
- State and Local Government Officials
- Utility and Energy Service Companies
- Construction Project Managers

Hotel Information

GovEnergy has arranged for nearby accommodations at several hotels in St. Louis. The GovEnergy room block rates are available until July 30, 2012, or until the rooms are sold out. Room rates for federal attendees follow the government per diem schedule for St. Louis. Non-federal attendees should visit the *Hotels* section of the GovEnergy website for details about hotel rates.

New for 2012!!!!

Announcing the Gov E Awards

Scheduled as part of GovEnergy's opening and closing sessions, the *Gov E Awards* will be presented to the most environmentally sound/sustainable trade show exhibitors and to participants selected from GovEnergy's *Federal Agency Poster Session*.

New for 2012!!!!

Federal Connection Center

Meet GovEnergy's subject matter experts at the *Federal Connection Center*. Federal employees will be available to answer your federal energy management questions. Visit the GovEnergy website for more details.

Technology Theater

GovEnergy's *Technology Theater* will feature presentations on cutting edge energy efficiency and renewable energy technologies that are currently being evaluated and deployed at federal sites. Presenters will share insights on economic benefits, applications, and lessons learned.

Federal Agency Poster Session

Be sure to visit GovEnergy's second annual *Federal Agency Poster Session*. With a focus on federal energy management, this year's posters will highlight federal agency behavior change programs and activities. *Gov E Awards* will be awarded to the posters that demonstrate the best application of federal agency-oriented behavior changing principles.

FEDERAL AGENCY SPONSORS

Trade Show

Exhibitors will be presenting the latest equipment and services designed to help federal employees work smarter to meet their sustainability, energy security, and energy assurance goals.

Hours of Operation

Sunday, August 19	5:00 p.m.–7:00 p.m.
Monday, August 20	9:30 a.m.–4:00 p.m. 6:00 p.m. - 9:00 p.m. <i>Energy Education in Action</i> Networking Event
Tuesday, August 21	7:30 a.m.–4:00 p.m.

Special Exhibitor Workshop: Monday, August 20 and Tuesday, August 21– *Doing Business with the Federal Government*

Back by popular demand! GovEnergy has expanded its exhibitor-focused training session, *Doing Business with the Federal Government*, to a multi-day workshop. Experts will present on process, policies, and best practices.

Electric Vehicle and Equipment Showcase

The showcase will be held in conjunction with the *Transportation* track, a new series of training sessions. The *GovEnergy Electric Vehicle and Equipment Showcase* will highlight the numerous benefits of electric vehicles (EVs), as well as the options, availability, and cost of EVs and supply equipment.

Exhibiting and Industry Partnership Opportunities

Exhibiting and industry partnerships provide a unique way to connect with GovEnergy attendees while serving to promote business and service solutions. Contact 800-343-2171 or govenergy@govenergy.gov to learn more.
