

# GovEnergy Webinar Series: Technologies Tomorrow is Too Late, GO!

E.W. Dovel

Jim Dore

**What is the best lighting technology  
to deploy today?**

**What do you feel is the best approach to building automation in use today?**

Can you explain the “buzz” around  
LED?

**What is a simple definition of an  
Open Protocol System?**

**When do I need to convert to LED  
because T8 is obsolete?**

Can you explain all the “hype”  
around Open Protocol Systems?

**What is a simple definition of energy  
efficient lighting?**

**Do I need to replace all my software  
because the operator software is  
obsolete?**

What does the term “pupil lumens”  
really mean?

**What are the most prescribed  
Energy Efficient Measures for  
Energy Management Systems?**

**What surprises you most about the commercial world's approach to energy management and building automation?**

**Who are the biggest liars, control guys or lighting guys?**

# MORE QUESTIONS!!

- THANK YOU!

## Upcoming GovEnergy Webinar

Achieving Energy Efficiency in New or Existing Data Centers

July 26, 2012, 1:00pm - 3:00pm EST

Sign Up: [www.GovEnergy.gov](http://www.GovEnergy.gov)

### Presenters

David Martinez, Sandia National Laboratories

Dale Sartor, Lawrence Berkeley National Laboratory (LBNL)

Otto Van Geet, National Renewable Energy Laboratory (NREL)

# GovEnergy Banner Partner Opportunity

Donate any used or unused vinyl banners; typically used as a form of indoor/outdoor signage. Your donation will allow GovEnergy to provide 4,000 attendees with a recycled pad folio!

**Each GovEnergy Banner partner will be featured on the GovEnergy homepage [www.govenergy.gov](http://www.govenergy.gov) and acknowledged during the event.**

## How to donate:

- Download and complete the [GovEnergy 2012 Banner Partner donation form](#).
- Contact Sarah Mabbit, GovEnergy Technical Program Coordinator, at [smabbitt@energetics.com](mailto:smabbitt@energetics.com). Include the details of your shipment and a high-res copy of your organization's logo (JPEG or TIFF) to be featured on the GovEnergy website.
- Send your vinyl banner donation and completed donation form by **June 27, 2012** to:

**TRAVELINE, Inc.**  
**Attn: Harry/GovEnergy 2012**  
**4000 East 10th Court**  
**Hialeah, FL 33013**

*Note: GovEnergy does NOT cover the cost of shipping; all shipments of vinyl banner material will be covered by the Banner Partner, and is non-refundable.*
