

GovEnergy Banner Partner Opportunity

*GovEnergy Invites You to Become a GovEnergy Banner Partner
at the 15th Annual Workshop and Trade Show!*

How to participate:

A sample image of a donated vinyl banner

Donate any used or unused vinyl banners; typically used as a form of indoor/outdoor signage. Your donation will allow GovEnergy to provide its attendees with recycled pad folios!

Each GovEnergy Banner partner will be featured on the GovEnergy homepage www.govenergy.gov and acknowledged during the event.

How to donate

- Download and complete the [GovEnergy 2012 Banner Partner donation form](#).
- Contact Sarah Mabbitt, GovEnergy Technical Program Coordinator, at smabbitt@energetics.com. Include the details of your shipment and a high-res copy of your organization's logo (JPEG or TIFF) to be featured on the GovEnergy website.
- Send your vinyl banner donation and completed donation form by **June 27, 2012** to:

TRAVELINE, Inc.
Attn: Harry/GovEnergy 2012
4000 East 10th Court
Hialeah, FL 33013

Note: GovEnergy does NOT cover the cost of shipping; all shipments of vinyl banner material will be covered by the Banner Partner, and is non-refundable.

About GovEnergy

GovEnergy is a workshop and trade show that is sponsored by seven federal agencies to satisfy the requirements of congressionally mandated training. Federal agencies must meet the energy goals and training requirements mandated by the Federal Personnel Training Act of 2010, EPACK1992, Executive Order 13514, and EISA 2007. By bringing together the nation's leading experts in policy, technology, and facility operations, GovEnergy provides federal employees with energy management training in compliance with these legislative requirements.
